“Jump into the Unknown” presents the works of 40 international artists and marks the 20th anniversary of the International Environmental Art Symposium – Nine Dragon Heads.

Nine Dragon Heads is an interdisciplinary platform where artists from across the 5 continents work in locations that may be environmentally, economically or politically troubled, following important cultural, historical and geopolitical routes. Initiated in South Korea in 1995 in response to the destruction of an important historical site, Nine Dragon Heads has evolved to address varying crises and transitory situations in localized and situation-specific ways.
